Butterfly garden

On screen: Mirror > Left/right

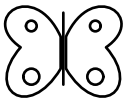

1. Add a mark.

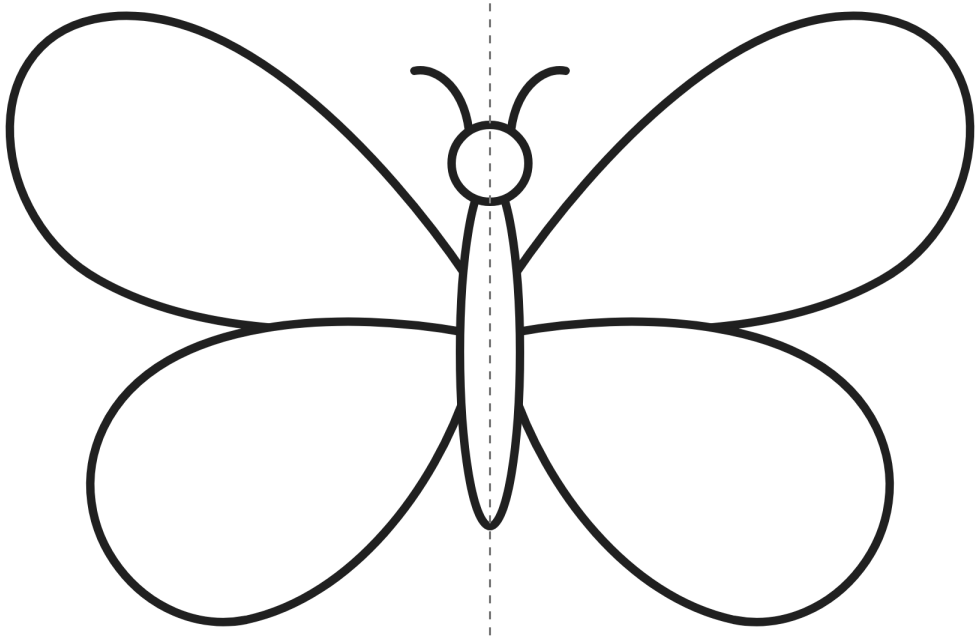

2. Match its partner.

3. Fill your wings!

Show a matching pair. What would line up if you folded the paper?

On paper, draw the matching parts yourself. In DoodleYak, Mirror makes them for you.

Mirror creature

On screen: Mirror > Left/right

1. Add one eye.

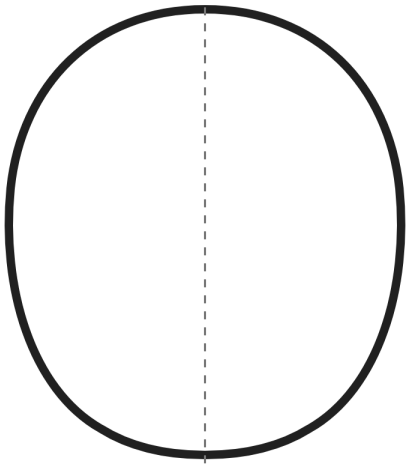

2. Make matching parts.

3. Invent a creature!

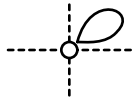

Point to your mirror line. Give your creature a name out loud.

On paper, draw the matching parts yourself. In DoodleYak, Mirror makes them for you.

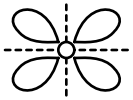

Four-way flower

On screen: Mirror > Four-way

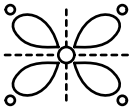

1. Draw one petal.

2. Watch four petals!

3. Grow a pattern!

Point to both mirror lines. How many petals came from one mark?

On paper, draw the matching parts yourself. In DoodleYak, Mirror makes them for you.
